Docket No. 98N-1265 7877 99 APR 19 AM 10:00
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: There are no compounding
pharmacies in this area. Why don't you
put your energies into something more
important for you. We should be able to have
the opportunity to obtain compounded prescriptions
if it is what is most agreeable to our bodies
